Declaration of Trust - Leith Wheeler Retirement Savings Plan

We, CIBC Mellon Trust Company, are a trust company incorporated under the laws of Canada, with our head office located at Toronto, Ontario. You are the annuitant in accordance with the Income Tax Act (Canada) named in the Application (your "Application") on the other side of this Declaration. We agree to act as trustee of your Leith Wheeler Retirement Savings Plan (your "Plan") on the following terms and conditions.

1. Registration and Compliance

We will apply for registration of your Plan under the Income Tax Act (Canada) (the "Tax Act") as a registered retirement savings plan ("RRSP"). It is intended that, at all times, your Plan will comply with all relevant provisions of the Tax Act and, if applicable, the Taxation Act (Quebec) with respect to an RRSP. You will be bound by the terms and conditions imposed on your Plan by all applicable legislation.

2. Contributions to your Plan

You or, where applicable, your spouse may make cash contributions to your Plan. We will also accept transfers of cash to your Plan from any source permitted by the Tax Act. In addition to cash, in our sole discretion, we may accept securities and other investments acceptable to us, if accompanied by properly executed transfer documents. If your Plan is a Group RSP as indicated in your Application, the employer named in your Application for the purpose of the Group RSP may remit Contributions to your Plan on behalf of you or your spouse. Contributions may not be made after December 31 of the year in which you reach age 71 (or another age specified by the Tax Act). We will hold contributions and transfers made to your Plan, investments made with those contributions and any income or capital gains realized in respect of those investments in trust for the purpose of providing you with a retirement income in subsection 146(1) of the Tax Act.

3. Investments

Contributions and transfers to your Plan will be invested and reinvested from time to time according to your investment instructions in securities of the investment funds of the fund manager (the "Manager") listed on the Application or such other investments as we may permit from time to time. However, your Plan may not hold a mortgage. We will not be limited to investments authorized by law governing the investment of property held in trust. Before we will act on your investment instructions, the instructions must be in a form acceptable to us and be accompanied by related documentation as we may require in our sole discretion. We may accept and act on any investment instructions which we believe in good faith to be given by you. Cash distributions received and capital gains realized on investments held in your Plan will be invested in additional investments of the same type from which the distribution or gain was made unless you instruct otherwise. We may retain any cash balances in your Plan and may, but need not, hold the same in our deposit department or in the deposit department of one of our Affiliates; but we and our Affiliates shall not be liable to account for any profit to any person other than at a rate, if any, established from time to time by us or our Affiliates. For the purposes of this paragraph 3, "Affiliate" means affiliated companies within the meaning of the Business Corporations Act (Ontario) ("OBCA"); and includes Canadian Imperial Bank of Commerce, CIBC Mellon Global Securities Services Company and The Bank of New York Mellon and each of their affiliates within the meaning of the OBCA. We shall have no responsibility or obligation with respect to the performance of any investment or reinvestment of the property held in your Plan. Our obligation relating to the investment of the property held in your Plan shall be to (i) register the investments of your Plan in our own name, in the name of our nominee, in bearer form or in such other name as we may determine; (ii) exercise all powers or rights of an owner with respect to all securities held by us for your Plan, including the right to vote or give proxies to vote in respect thereof, and to pay any assessment, taxes or charges in connection therewith or the income or gains derived therefrom; and (iii) exercise, or caused to be exercised, the care, diligence and skill of a reasonably prudent person to minimize the possibility that your Plan holds a non-qualified investment.

4. Your Responsibility

You are responsible for:

- a) ensuring that contributions to your Plan do not exceed the maximum limits permitted by the Tax Act;
- b) ensuring that any transfers to your Plan are permitted by the Tax Act; and
- c) ensuring that the investments held in your Plan are qualified investments for your Plan under the Tax Act.

If your Plan becomes liable for tax, interest or penalties under the Tax Act (other than those imposed on the trustee under the Tax Act) or similar provincial legislation, we may realize sufficient investments of your Plan, selected in our sole discretion, to pay the liability and we will not be liable for any resulting loss.

5. Delegation to Manager by Trustee

You expressly authorize us to delegate to the Manager the performance of certain of our administrative and custodial duties and obligations under your Plan as the Manager is prepared to accept and acknowledges that, to the extent we delegate any of such duties or obligations, we shall thereby be absolutely released and discharged from performing such duties and obligations. Such duties and obligations which may be delegated include but are not limited to the following:

- a) receiving and processing contributions under your Plan from you and/or your spouse, as the case may be;
- b) receiving and forwarding your investment instructions to us; and
- c) receiving and forwarding your instructions relating to payments out of your Plan to us pursuant to the provisions provided herein.

6. Withdrawals and Refunds

Following the receipt of your written instructions in a form acceptable to us, we will make a payment from your Plan in the amount specified by you in such instructions where such amount is required to be paid to the taxpayer to reduce the taxes otherwise payable by the taxpayer under Part X.1 of the Tax Act. We may realize investments of your Plan selected by us in our sole discretion for the purposes of making the payment and will not be liable for any resulting loss. Payments will be made net of all proper charges including tax required to be withheld. Prior to the purchase of a retirement income and upon receipt of your written instructions in a form acceptable to us, you may withdraw from your Plan an amount not exceeding the assets of your Plan and we will pay such amount to you or as you may direct. Payments will be made net of all proper charges including tax required to be withheld.

7. Transfers from your Plan

Following the receipt of your written instructions in a form acceptable to us, we will transfer all or part of the assets of your Plan (net of all proper charges) to the issuer of an RRSP or a registered retirement income fund ("RRIF") or to a registered pension plan, as instructed by you in the notice. Upon request, we will provide the issuer of the recipient plan with all relevant information in our possession. We will sell or transfer specific investments of your Plan to effect the transfer if instructed by you in writing. In the absence of satisfactory written instructions, we may sell or transfer any investments of your Plan selected by us in our sole discretion to effect the

transfer and will not be liable for any resulting loss. The transfer of assets will be made subject to any restrictions under the Tax Act or the terms and conditions of the investments in your Plan.

8. Maturity

On or before December 31 of the year in which you reach age 71 (or another age specified by the Tax Act), the assets of your Plan must be transferred to a Registered Retirement Income Fund or liquidated and the proceeds (net of any applicable costs and charges) used to acquire an annuity that conforms with the Tax Act. If you do not provide us with satisfactory written instructions by November 30 of that year, you will be deemed to have instructed us to transfer the assets of your Plan on or before December 31 of that year to a Retirement Income Fund established by the Manager or another RIF selected by us in our sole discretion. We will act as your attorney to execute documents and make elections necessary to establish a Retirement Income Fund (RIF).

9. Annuity

An annuity purchased with the assets of your Plan must conform to the requirements under the Tax Act which, among other things, requires the annuity to provide equal annual or more frequent periodic payments to you, or to you until your death and then to your spouse, until there is a payment in full or partial commutation of the annuity and where the commutation is partial, equal annual or more frequent periodic payments afterwards except for adjustments permitted by the Tax Act. Payments may not exceed a term of years equal to 90 minus either your age (in whole years) or, if your spouse is younger than you, your spouse's age (in Declaration of Trust Retirement Savings Plan whole years) at the time the annuity is purchased. Payments to your spouse in any year after your death may not be greater than payments made in a year before your death. If the annuity becomes payable to a person other than you or your spouse, the value of payments must be commuted.

10. Beneficiary Designation

If you are domiciled in a jurisdiction which by law permits you to validly designate a beneficiary other than by Will, you may designate a beneficiary to receive the proceeds of your Plan in the event of your death before the maturity of your Plan. You may make, change or revoke your designation by written notice signed by you in a form acceptable to us. Any designation, amended designation or revoked designation will be valid on the day following its receipt by us. If we receive more than one beneficiary designation from you, the latest designation shall revoke all previous designations.

11. Death

Upon receipt of satisfactory evidence of your death and any other documents as we may require, we will hold the assets of your Plan for payment in a lump sum to your designated beneficiary if that person was living at the date of your death. If you have not designated a beneficiary or if the designated beneficiary predeceases you, the assets of your Plan will be paid to your legal representatives. The lump sum payment will be paid subject to the deduction of all proper charges after we receive the releases and other documents that we require in our sole discretion.

12. Prohibition

The retirement income under your Plan may not be assigned in whole or in part. We will not make any payments from your Plan except those specifically permitted under the provisions of this Declaration or the Tax Act.

13. Date of Birth and Social Insurance Number

The statement of your birth date and social insurance number in your Application is deemed to be a certification of its truth and your undertaking to provide proof, satisfactory to us in our sole discretion, if we request.

14. Accounting and Reporting

We will maintain an account of your Plan containing such information with respect to the Plan as required for purposes of the Tax Act. We will send you at least annually a statement of your account. Before April of each year, we will provide any applicable tax reporting required to be filed with your or your spouse's personal income tax return relating to contributions to or withdrawals from your Plan for the previous year.

15. Notice

Any notice required or permitted to be given to you by us will be sufficiently given if mailed, postage prepaid, to you at your address as indicated on your Application or any subsequent address that you have provided to us in writing for that purpose. Notice will be deemed to have been received by you on the day of mailing. Any notice required or permitted to be given to us by you will be sufficiently given if mailed, postage prepaid, to us at our head office in Toronto. Notice will be deemed to have been given on the actual date received by us.

16. Fees and Expenses

We may charge you or your Plan fees for our services under this Declaration. We will give you at least 30 days' notice of any increase, from time to time, in our fees. We are entitled to reimbursement from your Plan for all disbursements and expenses (including taxes, interest and penalties, other than those imposed on the trustee under the Tax Act) reasonably incurred by us in connection with your Plan. We are entitled to deduct our unpaid fees, disbursements and expenses from the assets of your Plan and for this purpose you authorize us to realize sufficient assets of your Plan selected in our sole discretion. We will not be responsible for any resulting loss.

17. Delegation of Duties

In addition to paragraph 5 herein, we may appoint agents and may delegate to our agents the performance of clerical, administrative and other duties under this Declaration. We may employ or engage accountants, brokers, lawyers or others and may rely on their advice and services. We will not be liable for the acts or omissions of any of our advisors or agents. We may pay to any advisor or agent all or part of the fees received by us under the provisions of this Declaration.

18. Our Responsibility

We acknowledge that we are ultimately responsible for the administration of your Plan. We, our officers, employees and agents are indemnified by you and your Plan from and against all expenses (including reasonable counsel fees and expenses) liabilities, claims and demands that may arise from holding the assets of your Plan; dealing with the assets of your Plan in accordance with investment instructions which we, our officers, employees or agents believe in good faith to be given by you or your properly authorized agent; delivering or releasing assets of your Plan in accordance with this Declaration; and performing our obligations hereunder; except to the extent that such expenses, liabilities, claims and demands are caused by our gross negligence, wilful misconduct, fraud or bad faith. Notwithstanding any other provision of this Declaration, we will not be liable for any loss or penalty suffered as a result of any act done by us in reasonable reliance of your authority or the authority of your properly authorized agent or legal representatives. This indemnification shall survive the termination of this Declaration of trust and your Plan.

19. Successor Trustee

We may resign and be discharged from all duties and liabilities under this Declaration by giving you at least 30 days' written notice. The Manager is nominated to appoint a successor trustee. Upon acceptance of the office of trustee of your Plan, the successor trustee will be trustee of your Plan as if it had been the original declarant of your Plan. Notwithstanding any other provision herein, any corporation which may result from our merger or amalgamation with one or more other corporations or any trust company that succeeds to or acquires all or substantially all of our trust business shall thereupon become the successor trustee for all purposes hereunder without any further act or formality provided that your Plan remains registered in accordance with paragraph 1 hereof.

20. Discharge of Trustee

Upon the final payment or transfer out of all the assets in your Plan in accordance with the terms hereof, we shall be fully and finally discharged of all obligations hereunder, and the trusts created hereby shall cease and be of no further force or effect.

21. Amendments

From time to time, we may amend this Declaration with the approval of Canada Revenue Agency provided that the amendment does not disqualify your Plan as an RRSP under the Tax Act. Any amendment to ensure that your Plan continues to comply with the Tax Act will be effective without notice. Any other amendment will be effective not less than 30 days' after written notice has been provided to you.

22. Entire Agreement

The Application, this Declaration of Trust and, if applicable, the Addendum shall constitute the entire agreement between you and us with respect to the Plan.

23. Language

You have requested that your Application, this Declaration and all ancillary documents be provided to you in English. Vous avez exigé que votre demande, la présente déclaration et tous les documents accessoires vous soient fournis en anglais.

24. Privacy and Complaints

We will collect, use and disclose personal information to establish and service your Plan, as required or permitted by law and as disclosed in our Privacy Policy. A. Relationship Disclosure Information

Introduction

This Relationship Disclosure Information aims to provide all the information a client would consider important about its relationship with LWIF including the nature of the advisory relationship, products and services offered, what are the obligations with respect to reporting and the costs associated with the service levels.

Nature of the Advisory Relationship

LWIF is registered as a Mutual Funds Dealer. Our Investment Funds Advisors provide investment advice to our clients, to assist them in determining their investment objectives and help develop a strategy to meet their objectives. As a client, you have access to the Leith Wheeler Investment Funds (see below under “Nature of the Products and Services”), but you make your own investment decisions as to which fund(s) to invest in and how much to allocate to the chosen fund(s). Our Investment Funds Advisors are available to assist with any questions about your investment strategy and which of our products may be suitable for you.

Nature of the Products and Services and “Know-Your-Client” Information

All LWIF clients have access to Series B of the full range of Leith Wheeler Investment Funds, all of which have been qualified by prospectus filed with securities regulators.

Our Investment Advisors will provide you with information on the Leith Wheeler Investment Funds, portfolio construction, a periodic portfolio review and assist you in ensuring that the Fund(s) you select are suitable given your investment objectives and risk profile. LWIF exclusively offers proprietary products – prospectused mutual funds managed by an affiliate, Leith Wheeler Investment Counsel Ltd.

The minimum account size for LWIF investors is \$25,000.

As members of the Mutual Funds Dealers Association, LWIF is required to ensure that each transaction in your account is suitable and puts your interests first based on our due diligence in learning about the essential facts relative to your investment strategy and objectives. These essential facts, commonly referred to as “Know-Your-Client” information, are included on new account application forms and defined as follows:

Know Your Client and Suitability

We are required under securities law to collect and document sufficient and appropriate Know-Your-Client information to ensure that trades are suitable for certain clients and puts their interests first.

In satisfying this Know-Your-Client requirement, we will do the following:

- Establish your identity as client and, if there is any concern, make reasonable inquiries as to your reputation. For the purposes of establishing the identity of a client that is a corporation, partnership, trust, or other entity we will determine the nature of your business and the identity of any individual who own or control (directly or indirectly) 25% or more of the corporation, partnership, or trust, or other entity.
- Ensure that we have sufficient information to meet our Know-Your-Client obligations and suitability requirements regarding your investment needs and objectives, and risk profile. In addition to the Know-Your-Client requirements, we must satisfy the suitability requirement as required by applicable securities law, which included putting your interests first.

- Undertake a complete Know-Your-Client assessment with you at least every thirty-six (36) months.

Our duty to deal with you fairly, honestly and in good faith, and our obligation to make suitability determinations that put your interests first, require us to tell you if LWIF does not have products or services that are suitable for you. This determination may depend on the investment goals designated for your account. For example, it may make a difference if an account is the primary retirement savings vehicle for a retail investor, or is a secondary account set up by an investor for investing in higher risk products.

The following event will trigger the need of for a suitability determination:

- When you transfer assets into an account at LWIF.
- When LWIF or an Investment Advisor becomes aware of a change in an investment in your account that could result in the investment or account not satisfying MFDA mandated suitability requirements.
- When LWIF or an Investment Advisor becomes aware of a material change - any information that results in changes to your stated risk tolerance, time horizon or investment objectives or would have a significant impact on your net worth or income - in your Know-Your-Client information that could result in an investment or your account not satisfying MFDA mandated suitability requirements
- When LWIF or an Investment Advisor performs the periodic review required no less frequently than every thirty-six (36) months.
- When there is a change in the Investment Advisor responsible for your account.

Keeping Us Informed

It is very important that you are an active participant in our relationship. Please:

- Keep us fully and accurately informed about your personal circumstances, and promptly advise us of any change that could reasonably result in a change to the types of investments appropriate for you, such as a change to your income, investment objectives, risk tolerance, time horizon, net worth or a major life event.
- Review all documentation and other information we send to you regarding your Account, particularly the transactions conducted at your request and the holdings in your portfolio
- Ask us any questions you have about what we send you or your relationship with us.

Trusted Contact Persons and Temporary Holds

Under securities rules, we may provide you, at account opening and on a periodic basis thereafter, an opportunity to name and provide contact information for a person that you trust, who is mature (regardless of age), able to conduct potentially difficult conversations about your personal situation and, preferably, not involved with making decisions for your account. This person is known as your trusted contact person (“TCP”).

The TCP is intended to help us protect your interests. If we have any concern, we may, at our discretion, contact your TCP (or your legal representative on file with us) if we notice signs of financial exploitation or if you exhibit signs of diminished mental capacity relating to decisions involving your account. We may also contact your TCP to confirm your contact information if we are unable to contact you after repeated attempts. We may also ask the TCP to confirm the name and contact information of your legal representative (e.g., attorney under a power of attorney or a legal guardian). You can change your TCP or withdraw your consent for us to contact a TCP by giving us notification.

When you provide TCP information, you authorize us to contact the TCP, at our discretion, for the purposes noted above. You also agree to: 1) notify the TCP that you have identified them as your trusted contact, confirm that your TCP consents for us to communicate with them and advise us if they decline to serve as your TCP(s); and 2) release us from all claims that relate to any decision we make regarding whether or not to contact a TCP and any information that we may share with a TCP.

Temporary Holds - if we have a reasonable belief that you are being financially exploited or that you are experiencing diminished mental capacity, which may affect your ability to make financial decisions relating to your account, we may place a temporary hold on your account or a particular transaction. We will provide you with a verbal or written notice explaining our actions, in addition to contacting your TCP, as above.

Investment Needs and Objectives

Your investment needs and objectives are the primary consideration or goal of your account. Your objective is specific to each account and can be different for different accounts. Your objective may be defined one or a combination of the following objectives: “income” and “growth”. Each of these categories is defined below.

- **Income:** The primary purpose of an income oriented portfolio is to generate an income stream in the form of interest and dividends. Income oriented investors are less concerned about growth of the underlying assets (i.e. capital gains). An income generating portfolio will hold a relatively higher portion of the account in bonds and preferred shares.
- **Growth:** The primary purpose of a growth oriented portfolio is to see the holdings in the portfolio increase over time (i.e. earn capital gains). Growth oriented investors are not as concerned with income generation (i.e. interest and dividends) but want the holdings to appreciate in value over time. A growth oriented investor will hold a relatively high portion of the portfolio in equities, especially if the investor also has a higher risk tolerance and longer time horizon.

Investment Time Horizon

Your investment time horizon is the period of time over which you plan to remain invested with us – i.e. is the period of time you expect to hold an investment until you need or want your money back. We will provide our suitability advice taking into account this timeline.

Risk Profile

Your risk profile involves your risk tolerance, which is a gauge of your ability and willingness to assume risk in your account, and your risk capacity, which is a gauge of the level of investment risk (or losses) that you can afford to take. Every investor has their own tolerance for risk. An investor’s risk tolerance is based on their investment objectives, investment time horizon and comfort with volatility. An investor with a ‘low’ risk tolerance is less willing to accept volatility in portfolio value and/or may have a shorter investment time horizon. An investor with a ‘high’ risk tolerance is willing to accept larger variations in portfolio value and has a longer investment time horizon. An investor’s risk capacity is based on their economic ability to withstand foreseeable losses. It differs from your willingness to take on risk.

All investments have risk. Prior to investing in any fund, each investor should read the fund facts and simplified prospectus for the fund, with specific attention to the section entitled “What are the Risks of Investing in the Fund?”

The differing levels of risk tolerance are defined below:

- **Low:** Low risk investments demonstrate a low level of volatility in returns and are for investors who are willing to accept lower returns for greater safety of capital.
- **Low - Medium:** Low - Medium risk investments demonstrate more volatility in returns than Low risk investments and are for investors who are looking for some growth over a longer period of time.
- **Medium:** Medium risk investments demonstrate a moderate volatility in returns and are for investors who are looking for moderate growth over a longer period of time.
- **Medium - High:** Medium - High risk investments demonstrate a greater level of volatility in returns than Medium risk investments and are for investors who are growth-oriented and willing to accept higher levels of short term fluctuations in portfolio value in exchange for potentially higher long-term returns.
- **High:** High risk investments demonstrate a high level of volatility in returns and are for investors who are growth-oriented and are willing to accept significant short term fluctuations in portfolio value in exchange for potentially higher long-term returns.

We will ensure that each investment we recommend for you or accept from you is suitable for you in relation to your investment needs and objectives, investment time horizon, risk profile and other financial information you provide to us during your account opening and periodically during our account updates, and puts your interests first. Our obligation to make a suitability determination and put your interests first applies to trades you propose, whether or not we have recommended the trade. To ensure the suitability of your investments our Investment Advisor will assess your account:

- When you transfer assets into a LWIF account;
- Whenever we become aware of a material change in your client information;
- Whenever the Investment Advisor is changed on your account at LWIF.

Our Investment Funds Advisors are available through our toll-free telephone number, 1-888-292-1122, or in person when you make an appointment in our Vancouver office (1500-400 Burrard Street, Vancouver, BC)

Cash and Cheque Handling Procedures

To purchase units of the Leith Wheeler Investment Funds you can: 1) write a cheque payable to CIBC Mellon Trust Company, as trustee and custodian for the Leith Wheeler Investment Funds; or 2) use an Electronic Funds Transfer from an applicable financial institution. We do not accept cash for the purchase of securities. Cheques should NOT be made payable to your Investment Advisor or to LWIF directly, only make cheques payable to CIBC Mellon Trust Company. CIBC Mellon Trust Company is both custodian and trustee for the Leith Wheeler Investment Funds and as such, they ensure the safekeeping of the assets of the funds.

Content and Frequency of Reporting

Leith Wheeler Investment Funds clients are mailed a confirmation notice after every transaction. Each quarter you will receive a quarterly statement detailing your account activities, asset mix, and the valuation of each Fund and your total portfolio. If you participate in an Automatic Payment Plan, which provides systematic trading in the securities of a mutual fund on a monthly or more frequent basis, LWIF will send a trade confirmation for the initial trade but not for subsequent transactions, unless you arrange otherwise. Each confirmation of trades sent to you will include the quantity and description of the Fund, price per unit of the trade, the consideration, the breakdown of any cost, and the date of the trade. Annually, you will receive charges and performance report, which tells you how your investments have performed and lists the fees you paid to us for advice and service during the year. The report on your account includes annual change in the market value; cumulative change in the market value, since opening; annualized money-weighted total percentage returns, calculated net of charges, for 1, 3, 5 and 10-year periods and since account inception.

On the LWIF website (www.leithwheeler.com) we provide information on our Quarterly Investment Outlook, Periodic Newsletters and a variety of investment articles and the Funds’ Performance reviews. The most recent versions of the Simplified Prospectus, Fund Facts and Fund Financial Statements are also available. All publications are also available in hard copy upon request.

Fees

When buying units in a Leith Wheeler investment Fund, you are purchasing a series of the Funds which carries an embedded fund management fee. This fee is a percentage of the value of assets in the Fund, attributable to the particular series, which we charge for the management and expenses related to the administration of the Funds. Such fees and expenses are not charged directly to you. As embedded fees and expenses are deducted from the returns of the Fund, they affect your return on investment. In the case of embedded fees and expenses we do not charge you an additional management fee, nor do we receive any third-party compensation.

We charge no commissions or trailer fees.

The embedded management fees and expenses affects the return that you could otherwise earn due to compounding of returns. Compounding starts with the earnings on the units in your account. If you retain and reinvest these earnings, it generates incremental future earnings on these prior earnings. So, compounding refers to generating earnings on your prior earnings. The effect of paying embedded fees or expenses is to reduce the assets held in a Fund. Therefore, fees affect your returns in two ways. First, is the payment of the fees within the Fund themselves. Second, after paying fees there is less principal in a Fund available to enjoy the effect of compounding in the future.

Operating Charges

Operating charges are defined as any amount we charge you in respect of the operation, transfer or termination of your account and includes any federal, provincial or territorial sales taxes paid on that amount. Some examples of these charges include service charges, administration fees, safekeeping fees and management fees. The only fees that currently apply to each of these services are the management expense ratios (MERs) of the mutual funds. LWIF will provide written notice of new or increased operating charge 60 days before the date on which the imposition or increase

becomes effective. The payment of operating charges affects the return that you could otherwise earn due to payment of the charges and the effect compounding.

Transaction Charges

Transaction charges are defined as any amount we charge you in respect of a purchase or sale of a security and includes any federal, provincial or territorial sales taxes paid on that amount. Some examples of these charges include commissions, transaction fees, switch or changes fees and performance fees. LWIF's Investment Funds are "no load" and LWIF does not directly or indirectly pay fees, sales commission or trailing commission, nor do we provide any non-monetary benefits to registered dealers for distribution of our Investment Funds. If a dealer charges you a commission for fee, that is a matter between you and the dealer. There is no charge for buying or redeeming units of the Funds through LWIF and in addition, there are no account set up fees when you transfer your assets through LWIF. If you have any questions on fees charged in relation to your account with us, please speak with your Investment Advisor.

How to use Investment Performance Benchmarks

You can use investment performance benchmarks to assess the relative performance of your portfolio versus, most commonly, a published index (or a hybrid of several indices). It is important to choose a benchmark that has similar (or identical) risk and return characteristics and asset classes. If there is no single benchmark that matches your portfolio you may be able to construct a hybrid benchmark. The closer a benchmark matches your portfolio, the more meaningful the comparison.

Benchmarks can help you determine if your portfolio is achieving your investing goals, and help you develop realistic expectations for the long-term return on your portfolio. Benchmarks usually do not include fees in their return calculations, so their returns are overstated versus a real portfolio. A portfolio manager is generally considered to be doing very well if your portfolio matches the benchmark after taking fees into account.

We may use investment performance benchmarks to assess the performance of your investments and to allow you to assess their performance against an index of securities reasonably reflective of the composition of your investment portfolio. When comparing your investment returns to the returns of an investment performance benchmark comparisons in our account reporting, keep in mind that: (i) the composition of your investment portfolio reflects the investment strategy you have agreed upon, resulting in the composition of the investment performance benchmark differing; and (ii) investment performance benchmarks do not generally include charges and other expenses. Please speak to your Investment Fund Advisor if you have questions about the performance of your portfolio or what benchmarks might be appropriate for you.

E. Mutual Fund Dealers Association Client Complaint Information Form

Clients of a mutual fund dealer who are not satisfied with a financial product or service have a right to make a complaint and to seek resolution of the problem. MFDA Member dealers have a responsibility to their clients to ensure that all complaints are dealt with fairly and promptly. If you have a complaint, these are some of the steps you can take.

- Contact your mutual fund dealer. Member firms are responsible to you, the investor, for monitoring the actions of their representatives to ensure that they are in compliance with by-laws, rules and guidelines governing their activities. The firm will investigate any complaint that you initiate and respond back to you with

the results of their investigation within the time period expected of a Member acting diligently in the circumstances, in most cases within three months of receipt of the complaint. It is helpful if your complaint is in writing.

- Contact the Mutual Fund Dealers Associations of Canada (MFDA), which is the self-regulatory organization in Canada to which your mutual fund dealer belongs. The MFDA investigates complaints about mutual fund dealers and their representatives, and takes enforcement action where appropriate. You may make a complaint to the MFDA at any time, whether or not you have complained to your mutual fund dealer. The MFDA can be contacted:
 - by completing the on-line complaint form at www.mfda.ca
 - by telephone in Toronto at (416) 361-6332, or toll free at 1-888-466-6332,
 - by e-mail at complaints@mfda.ca, or
 - in writing by mail to 121 King Street West, Suite 1000, Toronto, ON M5H 3T9 or by fax at (416) 361-9073

Compensation

The MFDA does not order compensation or restitution to clients of Members. The MFDA exists to regulate the operations, standards of practice and business conduct of its Members and their representatives with a mandate to enhance investor protection and strengthen public confidence in the Canadian mutual fund industry. If you are seeking compensation, you may consider the following:

Ombudsman for Banking Services and Investments (OBSI): You may make a complaint to OBSI after you have complained to the dealer, at either of the following times:

- If the dealer's Compliance Department has not responded to your complaint within 90 days of the date you complained, or;
- After the dealer's Compliance Department has responded to your complaint and you are not satisfied with the response. **Please note that you have 180 calendar days to bring your complaint to OBSI after receiving the dealer's response.**
- OBSI provides an independent and impartial process for the investigation and resolution of complaints about the provision of financial services to clients. OBSI can make a non-binding recommendation that your firm compensate you (up to \$350,000) if it determines that you have been treated unfairly, taking into account the criteria of good financial services and business practice, relevant codes of practice or conduct, industry regulation and the law. The OBSI process is free of charge and is confidential. OBSI can be contacted:
 - By telephone in Toronto at (416) 287-2877, or toll free at 1-888-451-4519; or
 - By e-mail at ombudsman@obsi.ca
- Legal Assistance: You may consider retaining a lawyer to assist with the complaint. You should be aware that there are legal time limits for taking civil action. A lawyer can advise you of your options and recourses. Once the applicable limitation period expires, you may lose rights to pursue some claims.
- In Manitoba and Saskatchewan: Securities regulatory authorities in these provinces have the power to, in appropriate cases, order that a person or company that has contravened securities laws in their province pay compensation to a claimant. The claimant is then able to enforce such an order as if it were a judgment of the superior court in that province. For more information, please visit:
 - Manitoba: www.msc.gov.mb.ca
 - Saskatchewan: www.fcaa.gov.sk.ca
