<sup>®</sup> Reg. T.M., M.K. Leith Wheeler Investment Counsel Ltd.; M.D., M.K. Leith Wheeler Investment Counsel Ltd.; Registered, U.S. Patent and Trademark Office.

Leith Wheeler Investment Counsel Ltd. ("LWIC") is the manager and primary investment advisor for the Leith Wheeler Mutual Funds and the Leith Wheeler Pooled Funds (the "Funds"). Leith Wheeler Investment Funds Ltd. is the principal distributor of the Leith Wheeler Mutual Funds, which are also distributed through authorized dealers.

The Funds are not guaranteed or covered by the Canadian Deposit Insurance Corporation or by any other government deposit insurer.

The Funds, generally, offer some or all of Series A, Series B, and Series F units (certain Funds may offer additional series). The Series A units are not offered under Prospectus, but are available only by way of exempt distribution and are, generally, only for LWIC discretionary and certain other clients. The difference between Series A, Series B, and Series F units relates to the management fee payable to LWIC and the expenses paid by the series. The difference in fees and expenses means that each series will have a different net asset value per unit. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. For the Leith Wheeler Mutual Funds, please read the Prospectus or Fund Facts document before investing.

Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns calculated on a time weighted, total return basis, including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Fund values change frequently and past performance may not be repeated. Non-Canadian denominated benchmarks are based on their published US\$ quotation, which we convert from US\$ to CA\$ using the Bloomberg exchange rate. Just as performance can increase or decrease, so too can distributions, so distribution history should not be used to predict future distributions. For money market funds, there can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you.

Portfolio weightings shown are based on percentage of total market value, not percentage of total Net Asset Value (NAV), and may differ from the fund's regulatory documents.

This document has been compiled by LWIC from sources believed to be reliable, but no representations or warranty, express or implied, are made by LWIC, its affiliates or any other person as to its accuracy, completeness or correctness. All opinions and estimates constitute LWIC's judgment as of the date of this document, are subject to change without notice and are provided in good faith but without legal responsibility. The indicated Fund holdings may change due to ongoing portfolio transactions within the Fund. Due to rounding, numbers presented may not add precisely to the totals provided and percentages may not reflect the absolute figures. Graphs are only used to illustrate the effects of the compound growth rate and do not reflect future values of any fund or returns on investment of any fund. Any forward-looking information contained in this document is based on our current expectations about future events.
